**Retreat - Relax - Recline & Unwind** At the cottage or at home this sunroom is a place to melt away tension and enjoy the outdoors. Great for entertaining family & friends!

Options to consider:

- Octagon, Oblong, Square, Rectangle Styles
- In Premium Quality Wood or Low Maintenance Vinyl
- Premium Quality Stain Finish Option
- Dimensional Shingle
- Cedar Shingle
- Metal Roof
- Curved Roof - Octagon Wood
- Bench Kit

Above: Clay vinyl with cedar roof.

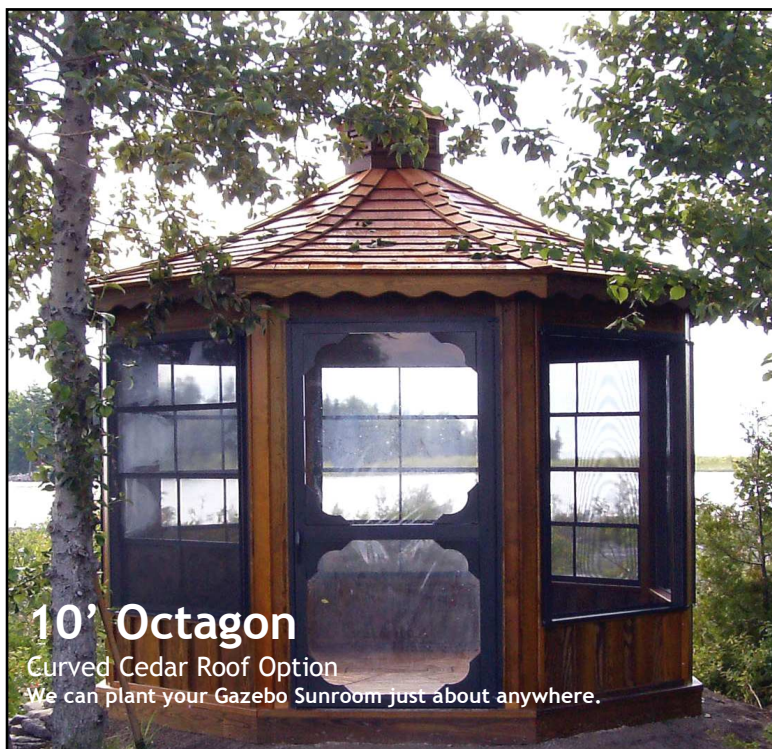

**12'x16' Pavilion**

White vinyl with optional beaded ceiling.

## The Bostrack Window System

The 4-track window system height is divided into four vents. Glazed with a tough resilient vinyl, the vents are available in four different tints: clear, smoke, bronze, or dark grey. The vents are all the same width, allowing them to be interchangeable, so the tinted ones may be positioned for better protection from the sun. The vertical window closes to reduce wind, rain, pollen, and sound. The units are lightweight and move effortlessly along the guide tracks, stacking up or down to allow a generous 70% ventilation opening.

*Sunroom or hot tub enclosure in wood or low maintenance vinyl.*

**10' Octagon**

Curved Cedar Roof Option

We can plant your Gazebo Sunroom just about anywhere.

**Premium Quality Wood, Craftsmanship and Finish**
